Subject: Portland supports a balanced river cleanup

I believe it is wrong for out-of-state regulators to tell Oregonians we should pay for an expensive cleanup.

Please know that so many important jobs in Portland are tied to the Willamette River. I support a river cleanup but I'm worried that the plan will be so inflexible and expensive that it will drive out small businesses.

Thank you for considering my concerns. I hope you will agree that we need to do all we can to support Portland's environment and economy.

Sincerely,
